

PRESS RELEASE

AiDi Corporation wins 2008 TCI Business Award

Emeryville, CA, September 12, 2008 – AiDi Corporation, a global company that specializes in passive optical network (PON) products and services, has announced that it has received the 2008 TCI Business Award from Tsukuba Center Inc. (TCI) in Japan.

The TCI Business Award was established to celebrate 20 years of service that Tsukuba Center Inc. has provided. TCI Business Awards honor venture companies in Tsukuba with exceptional achievement and growth and are recognized as a mark of excellence across scientific and technological communities.

“We have achieved continuous progress, doubling our revenue every year since established in 2004,” says Kenzo Ishida, President and CEO of AiDi Corporation. “We are proud and honored to have won this award from TCI. We will remain committed to providing our customers with innovative optical products and services and continue to expand globally in the United States, Japan and China.”

About AiDi Corporation

AiDi Corporation is a global company that offers innovative, high-value, Passive Optical Network (PON) products and service. AiDi leads the way to expanding optical network markets and deployments through improved network efficiency and economics. AiDi has exceptional technical leadership in the industry, providing customers with advanced networking options at a lower total cost of ownership. PON components from AiDi are remarkably well suited for harsh environments, as well as highly populated urban centers. All AiDi products are carefully engineered and manufactured to exceed industry standards, resulting in a higher standard for durability and a longer lifetime in the field. The company is privately held, founded by industry pioneers with several U.S. and International Patents Pending. AiDi headquarters is in Japan, with independent operating subsidiaries in China and the United States. All Rights Reserved.
